

Check Sheet (Instructions Regarding a Bicycle with Two Child Seats)

*We will check the following items before you use the bicycle.

Instructions Regarding a Bicycle with Two Child Seats

- If you are a first-time user, please also read the "User Guide for Rent-a-Bicycle."
- Have you filled out all required Information in the "Rental Application Form for a Bicycle with Two Child Seats"?
- Is the bicycle driver 16 years of age or older?
- Are the child passengers under 6 years of age?
(Note: The bicycle driver is allowed to carry one child (under 6 years of age) in a bicycle child seat and another child (under 4 years) piggyback.)
- Are the child passengers present on the spot?
- Do you have helmets for children?

Check before Using the Bicycle

- Be sure the handle lock is on before seating children.
- Make sure the children wear helmets when they are carried on a bicycle.
- Please put the children in and out of the child seats on level ground.
- Make sure the children wear shoes before seating them in the child seats.
- Never leave the bicycle parked or unattended with the children in the child seats.
- Always use the safety harness to prevent a child falling from the child seat.
- Please adjust the height of the headrest of the child seat.
- Please adjust the position of the handrail of the child seat.
- The child seat can be used to carry cargo.
- Are brakes, stand, and bell in good working condition?
- Always lock the bicycle wherever you leave it. Also, don't leave the helmet(s) on the unattended bicycle.
- Be careful not to get hands, fingers, or feet caught when opening and closing the gate.
- Make sure you know how to enter and exit a Rent-a-Bicycle Port.

Directions and Cautions:

- After use, please return the bicycle to an attendant from the administration office (Kanri Jimu-shitsu) at the Port where you rented it, i.e., this Port.**
- If you lose a helmet and/or a key, you must pay for the replacements.**
(Reference Prices: 3,500 yen (including tax) for a helmet, 800 yen (including tax) for a duplicate key)
- The rental period of this type of bicycle is limited to 24 hours.**
(This rule also applies to those who have signed up for a monthly rental.)
- Please perform a bicycle pre-ride safety check. The rent-a-bicycle user is responsible and liable for damages sustained by the user and other people or any loss or damage to the bicycle in the event of an accident.***
